Raja Shyamala

Asta Bandana Kumbhabishekam

Neopolis, Hyderabad

11-15 February, 2027

The DEVI of wisdom, word & will

Sri Raja Shyamala Devi is a divine manifestation of Shakti, revered as the embodiment of wisdom & expression. She represents the extraordinary idea of illumination seated beside power.

To worship is to awaken the power within.

A life devoted to Goddess

For His Holiness Sri Sri Sri Swaroopanandendra Saraswathi Mahaswamiji, Raja Shyamala Devi is not merely a deity of worship, but a living spiritual presence. His lifelong Upasana reflects spiritual bond with the Divine Mother.

His complete surrender is the spiritual inspiration behind the new sacred home.

From this spiritual lineage emerges a new chapter: the establishment of Sri Raja Shyamala Devi Temple at Neopolis, Hyderabad.

The first temple of its kind in the world, with Sri Raja Shyamala Devi as the presiding deity in Her complete and resplendent form.

A Goddess. A tradition known deeply within Sri Vidya, yet unfamiliar to many outside it. Raja Shyamala is one of those extraordinary forms of Devi waiting to be discovered.

To discover Raja Shyamala is to enter a beautiful world where the Divine is envisioned not only in a temple, but as a celestial kingdom.

SHOBHA YATRA

Before the doors of Her new temple open, Her Shobha Yatra comes to your doorstep.

As the Shobha Yatra journeys through the city, devotees are invited to come forward and make a simple sacred offering towards the opening of Sri Raja Shyamala Devi Temple.

To her new home
A littler from every home.

A pinch of Kumkum — with devotion.

A little Turmeric — with auspiciousness.

A fistful of Rice — with abundance.

KALASHA YATRA

A sacred journey begins as thousands come together to offer Kalashas for the consecration of Sri Raja Shyamala Devi Temple. From the waters of Gandipet to the doors of the new temple, an extraordinary procession takes shape.

A road filled with Kalashas.
An Unforgettable Sight.

Swamiji walks with the Kalasha, joined by a vast gathering of women, each carrying a Kalasha of her own. The two-kilometre walk culminates at the temple, where the Kalashas are offered for the Ashtabandhana Maha Kumbhabhishekam.

Every drop from every Kalasha becomes part of the Kumbhabhishekam.

Ashtabandhana Maha

For five extraordinary days, the new temple becomes the centre of worship, celebration and congregation.

Each day invokes a different dimension of Shakti through a distinct sacred observance drawing devotees alongside spiritual leaders, eminent guests, public figures, business leaders and dignitaries from across the country.

For five days, all roads lead to Raja Shyamala Devi.

FIVE DAYS. FIVE SHAKTIS. FIVE SACRED EXPERIENCES.

No bricks. No cement.

Specially sourced Stone from Tamil Nadu has been shaped by master artisans, carrying generations of temple building knowledge and sculptural craftsmanship into every detail.

Five States Multiple Traditions One Temple

A thousand years from now, these stones will still tell the story of this Astabandhana Maha Kumbhabishekam to generations.

Look once. Then look at all eight.

The Ashtabhuja form of Raja Shyamala Devi is the defining presence of this temple. The eight arms revealing the dimensions of Shakti.

And the temple that surrounds the Goddess is just distinctive.

Its architecture brings together the great temple traditions of South India, an extraordinary confluence of architecture, sculpture, craftsmanship and time-honoured practices.

Be part of the Temple

Choose a meaningful way to support the temple and become part of this sacred journey.
